If you need a break from various epic action games, this easy-to-win game is the perfect choice for you. Now, let's find out all about this game! If you jump into this game right in the game, you will get a nice message of some guidance about this game. Here you will quote all this message for you: Your reputation as a smart individual continues to make you. But that's not the name of today's game. I am a Queasy cat and because of an unfortunate situation, I can't stand the sight of a difficult question. All of the following questions will be easy. I mean, it's really easy. Don't make them difficult or you'll fail. Like me, it will take nine lives and only nine lives. I'll time you, get ready! In queasy cat message, in this game, you will have to respond His. There are a total of more than 100 different questions in this game. They are about different areas of information and they are not easy to answer (except for the first few questions). I mean, he has to think carefully before he answers. Like cats, there will be 9 lives, for every time you play this game. Every time you make a mistake, you lose 1 life. When you lose your whole life, you lose and the game is over. When you guess correctly, you get points. Try to get as many points as you can. Every problem has a Scheduler. The faster you answer a question; more points (if you guess correctly). Note: Some questions will troll you. There are more than 100 different questions with distinctive features Brightly colored cute graphics will give you a laugh while the cat's cute reaction answers incorrectly. How to play in multiple option questions, you can use the mouse to select your answer. For the rest of the questions, you can use the arrow keys to move or the mouse to select depending on each question. Tips and tricks You can turn the sound on or off on the Game screen. You can play this game in full screen mode. The faster you answer a question, the more points you have to make the questions difficult. Let's think simple, and you can solve them all easily. There are over 100 questions. They will repeat in this game. Try to remember both the right and wrong answer for each question you answer. This game can help you next time. Don't try to remember the number to answer the question of how many questions you've answered so far. Let's see it at the top left of the screen. Shows the number of currency questions. Just take that number and minus one, you'll get your answer. If you get stuck in any questions, let's see our walkthrough video below. Answers to some difficult questions Click on the Red button: In this question, don't look at the name of the button, let's see their colors and choose the red one. With the calculation question, do not try to calculate the number in the parentheses, they are all multiplied by zero. So the correct answer is only the number 0. 1 to 2: The correct answer is 1.2. What do you put in the toaster? Of course, the answer to that question is bread. In the question of hanging man game, the correct answer is 4 letter words with the question of filling the castle: I am a self... The question of the situation where jokes must fill the word tree: Enter a restaurant, ... You're asking how many people are in the restaurant. The answer to that question is 30 people. If you ask me why, there are 29 people in the room. And when you step inside, of course, there will be 30 people. This is my Dog Blue: What color is my dog? Do not pay attention to the color of the dog, such as the question of click on the red button above. Just focus on the question and choose the blue color. With the question of status: Alice is 14. On her birthday, she gets into a car and heads towards her friend Samantha's house. At the same time, his friend Emily also starts cycling at 10 mph towards Samantha's house. How old was Alice? Answer 13. The situation is only used to distract you.
